What Is Tourette's?

Professional training on Tourette syndrome, the co-morbid conditions, accommodations and helpful support. Appropriate for Therapeutic Support Staff, Behavior Specialists, Therapists and other Allied Professionals. Presenters offer key examples from PA-TSA staff with years of experience assisting school staff and other professionals in PA to accommodate and support students with this complex disorder.

Understanding for Professionals

Each presentation includes:

Power point presentation

Excerpt of a TS film

Handouts

Attendees experience "having a tic"

Question and Answer Session

Presentations through Webinar or In-person:

Two hour presentation—the most thorough training offered. Includes numerous examples to help prepare your staff for working directly with a student with TS of any age.

One hour presentation—Perfect as an overview for staff that will not be working directly with a student with TS.

Scheduling

Contact us by toll-free phone 1-800-990-3300 or by email to info@patsainc.org to get your training on our calendar.

WEBINARS ALSO AVAILABLE

FREE TRAINING is often available through our yearly Grant Agreement with the PA Department of Health.

When grant funding is not available, estimates of the fees can be provided prior to scheduling the training.

Fees:

Honorarium of \$200 to cover costs for travel and handouts.
