

NURSES TRAINING PROGRAM

Supported in part by:

- 60 – 120 minute program—appropriate for any group of nurses—school nurses, student nurses, pediatric nurses, etc.
- Topics include Tourette Syndrome and other co-morbid conditions that can complicate care
- Presenters offer key examples from their experience assisting families and schools in understanding and accommodating this complex spectrum disorder
- Power point presentation includes an excerpt of a TS film and an activity where attendees experience “having a tic”
- Question and Answer session and attendees leave with reference materials
- Fee: \$200 honorarium unless full grants are available

To schedule your training on Tourette Syndrome, contact the PA Tourette Syndrome Alliance at 1-800-990-3300.
