Virtual Family Retreat was held on Saturday, Feb 10, 2024. Attended by 20 families who participated in either the crafting or cooking groups. The children had time to connect with others their age through "virtual cabin time" supervised by our amazing Youth Mentors. Parents learned about alternative treatment ideas from Nick Alter. Our Keynote Speaker was Danny Ferron. We had so many amazing talent show participants that our Retreat ran over time! Family Movie Night ended the day as each family could watch their complimentary copy of "Front of the Class" or another movie of their choice.

## VIRTUAL RETREAT

## SPRING EVENTS
