PROGRAM FEEDBACK

Quotes from program participants:

“”The presenter was wonderful and the information was very relevant especially to my specific role.” Nurse who attended webinar

“The exercise at the end was very good to help understand what people with tics deal with and how they feel in the classroom.” Educator at in-person training

“It (camp) felt more like a large family...I hope and plan to allow my family to become one of the familiar set of faces that future new arrivals can look to for guidance in the scary, stressful, fun with a twist journey that is Tourette!” Father of a first time camper

“I Swear” Movie Screening in 3 locations on 4 separate dates across PA

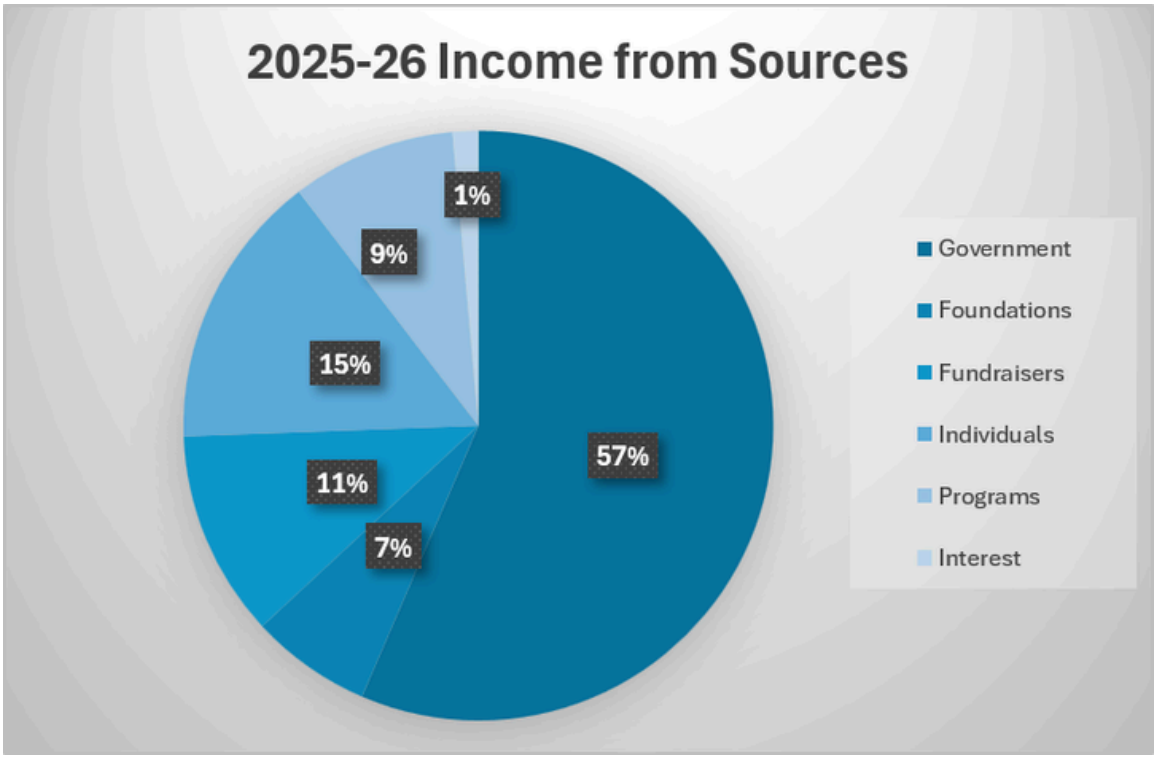

I Swear" (2026) is an R-rated film opening in the US this weekend! This award winning drama follows the life of John Davidson: diagnosed with Tourette's syndrome at a young age which alienated him from his peers, he struggled with a condition few people had witnessed. This film is rated R due to language and violence.
